MOTION FOR
CONSOLIDATION AND
INTERVENTION

Petitioner, St. John's Fire District, hereby consents to and joins in the Motion to Consolidate filed by Respondent Kiawah Island Utility, Inc. dated December 21, 2018. Petitioner submits that a consolidation of the matters will best serve the efficiency of the Public Service Commission.

If the Motion to Consolidate is granted, Petitioner also seeks to intervene in the rate case (Docket No. 2018-257-WS) presently scheduled for March 28, 2019. As outlined in the Respondent's Motion to Consolidate, the Respondent has no objection to Petitioner's intervention in the pending rate case. Petitioner believes that the Office of Regulatory Staff also has no objection to its Request to Intervene.

For the foregoing reasons, St. John's Fire District requests that the Public Service Commission grant the following relief:

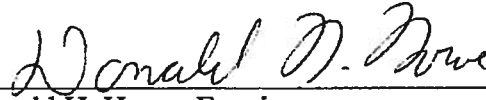

- 1) Consolidate the Complaint of St. John's Fire District (Docket No. 2018-212-W) with the rate case (Docket No. 2018-257-WS) presently pending before the Commission.
